Follow these easy steps to begin using your new software.

ClickFORMS™
HASSLE-FREE APPRAISAL SOFTWARE™

1

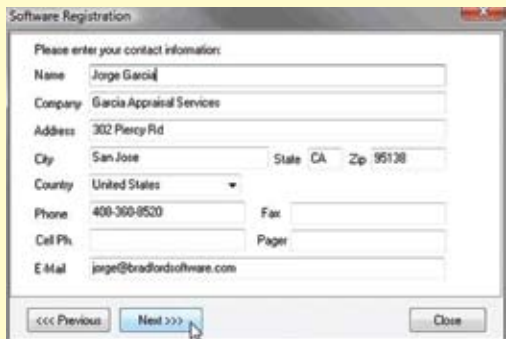

From the ClickFORMS Help menu, choose "Registration" to bring up the Software Registration window.

If you have multiple users, select the name of the person you want to register.

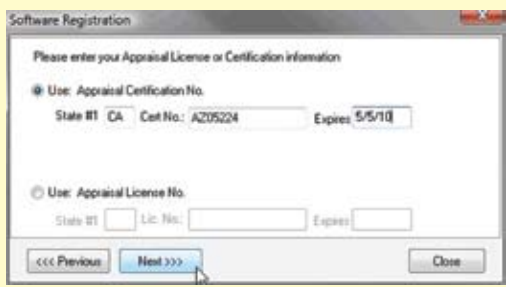

NOTE: If there is only one user, ClickFORMS will automatically display the default user's information.

2

Enter your contact information.

3

Enter your Appraiser License or Certification information.

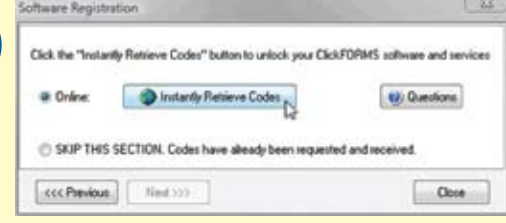

4

Enter your Name, Company Name, and your 20-digit Customer Serial Number (CSN).

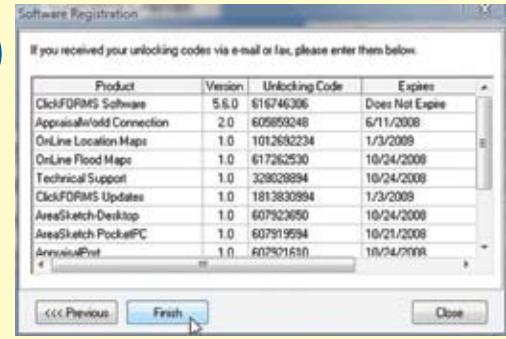

NOTE: You will receive your CSN once you purchase.

5

Make sure your computer is connected to the Internet, and then click "Instantly Retrieve Codes." You'll receive a message stating that your unlocking codes have been retrieved and entered for you.

6

Click "Finish" on the final screen. You're done!
